

**EXEMPTION FROM SPECIFIED REQUIREMENTS OF LAND TRANSPORT RULE: LIGHT-VEHICLE
BRAKES 2002**

Pursuant to Section 166(1) of the Land Transport Act 1998, and pursuant to the powers delegated to me, I, Fiona Waititi, Assessment Representative, hereby exempt the motor vehicle specified in Schedule 1 hereto from the sections of the rule Light-vehicle Brakes 2002 listed in Schedule 2, subject to the conditions in Schedule 3.

SCHEDULE 1: Vehicle Details

Yamaha MW125 - See list attached

SCHEDULE 2: Exempted Requirement

2.3(13) A vehicle in 2.3(12) must have a parking brake that:

- (a) acts on at least one complete axle; or
- (b) if the vehicle has dual wheels (also called twin wheels) on an axle, acts on that axle.

2.3(14) A parking brake on a vehicle in 2.3(12) must be capable of:

- (a) stopping the vehicle within a distance of 18 m from a speed of 30 km/h; or
- (b) holding the vehicle at rest on a slope of 1 in 5.

SCHEDULE 3: Conditions of this exemption:

1. A notice referencing this exemption must be fitted on the vehicle and must be able to be produced to vehicle inspectors and enforcement officers on request; and
2. The original of this exemption must be held by Yamaha Motor New Zealand Ltd; and
3. This exemption can be revoked at any time by the NZ Transport Agency; and
4. All other entry and in-service certification requirements must apply.

Signed at Wellington this 11th day of July 2018
