

# R3 Cup Optional Decal Requirements for Prize Packs

- These requirements are not mandatory to compete in the R3 Cup however competitors that do not comply will not be eligible for the prize packs on offer
- These optional requirements are additional to the mandatory class rules requirements that are listed in the series supplementary regulations.
- Sticker kits are available from the R3 Cup / Race Center Support Truck and it is the competitors responsibility to ensure compliance in order to be eligible for prizes.
- Bikes that carry decals of brands that conflict with the prize pack brands will not be eligible for the prizes. Example bikes carry decals of an oil brand other than Yamalube will not be eligible for the prize packs.
- Random spot checks will be conducted at each round. Leniency has been applied for round 1 due to conflicting images shown in the R3 Race Hints and Tips document. These instructions take precedence over sample images in the R3 Kit R3 Race Hints and Tips document.
- For any clarification on these requirements please contact [r3cup@racecenter.com.au](mailto:r3cup@racecenter.com.au)
